

Call for Papers

Comparative Cognition **(A special Issue in *Psychological Topics*)**

We are inviting submissions for a special issue on Comparative Cognition in our Diamond Open Access journal *Psychological Topics*, published by the Faculty of Humanities and Social Sciences at the University of Rijeka, Croatia.

The aim of the special issue is to highlight the varied contributions of comparative cognition to Psychology and the investigation of the mind. We welcome empirical articles (including replication studies), reviews, and theoretical papers from all areas of comparative cognition.

The Special Issue will be published online and in print in April 2025, and we support pre-printing. The final deadline for submission is 1 October 2024. We encourage all interested authors to contact the guest editors of the Special Issue to discuss possible submissions and receive help with the submission process and preparation of their manuscripts:
